Čtvrteční hodina – BUT, HOWEVER

But = Ale – spojka, která stojí uprostřed souvětí. „*It was raining, but I went out.*“

However = Však, avšak – nepoužívá se pro spojení dvou vět v souvětí. Stojí na začátku věty a píše se za ním čárka. Význam má stejný jako but.

„*It was raining. However, I went out.*“

Propoj tyto věty pomocí výrazů: 1) but, 2) however

A) London is the capital of the UK. B) The other countries have their own capital, too.

1) Use *but*:

2) Use *however*:
