Zápis do sešitu

Sequencers

- are words that organize your writing and speaking.
- Ex: first, next, then, after that, finally
- Sequencers improve your writing and speaking because it organizes your ideas into sections and gives them an order.

First – nejdříve It always goes first.

Next / Then / After that – potom You can change their order, you can use them more than once.

Finally – nakonec It ends the text.

Short sample text: How to do your homework. ☺

First read the instructions carefully. Then, get your pen and pencil. Next, think about correct answer. After that, write it down. Then check your answers. Finally, send your homework to your teacher in time.
